

Pistol Locker

Each compartment of the Model 605 tilts out for access on a continuous hinge.

Construction is 7 to 10 gauge steel. Compartments are 6" H x 1' 1-1/2" W x 4-1/2" D, bottom-lined with moth-proofed felt and locked with an individual keyed snaplock.

Master keying is available by special order. Can be surfaced mounted or built in. Indicate type of mounting required. Prime painted.

SS-605

Specify:

605-3: 3-compartment

605-6: 6-compartment

605-9: 9-compartment

605-12: 12-compartment
